

SINGLE BIT AXES

We recommend handling Blue Grass Axes with the following handles:

BLUE GRASS—Super second growth, all white hickory.

PRIDE OF KENTUCKY—White good grade forest hickory.

OLD KENTUCKY HOME—Selected white live growth hickory, with red tips and slight blemishes.

DAYTON PATTERN

—BLUE GRASS—PLAIN

Forged from extra quality tool steel, perfect cutting edge, tempered in the most scientific manner, sharpened and ready for use. Uniformly tapered eyes, which bind handles, are tempered to prevent spreading or cracking.

Blue Grass Tools are made of the very finest materials suitable to the uses and requirements of the individual items in the line. They are manufactured in the best equipped factories by skilled mechanics, specialists in their line, many of whom have spent their lives in the making and perfecting of fine tools. They are subjected to the most critical tests and inspections during the process of manufacture and to additional inspection before acceptance into our stock. Blue Grass Tools are in fact "The Nation's Standard of Quality."

DOUBLE BIT AXES
